

## Create & Celebrate *Adult Artist Celebrations*

Party packages include a one-of-a-kind art project, art educator to lead the event and a staff member to help. Choose from a wide range of media & themes or give us your ideas.

**Painting:** Receive guided art instruction while creating an inspired painting on canvas. Canvases are not pre-drawn & you will learn to mix your own colors & work from observation. Choose still life or landscape; no experience necessary.

**Freedom Pottery:** (+\$75 materials fee) Guests will design, build, fire and glaze individual hand-built and wheel-thrown works in clay. Pieces will be ready for pickup within 2 weeks.

**Printmaking 1,2,3:** Multiply your fun while learning how to create a print plate and transfer the design onto paper while creating a limited edition artist print run including notecards.

**Or ask us about a Custom Project suited just for your group.**
